Filed: February 12, 2003

For: VACCINES FOR BLOCKING
TRANSMISSION OF PLASMODIUM
VIVAX

Examiner: Lieto, Louis D.

Art Unit: 1632

INFORMATION DISCLOSURE
STATEMENT UNDER 37 CFR §1.97 and
§1.98

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed January 30, 2006, Applicants submit the attached form PTO/SB/08A and PTO/SB/08B at the Examiner's request. Copies of the references are not enclosed, as the references were previously submitted on February 12, 2003. The Examiner indicated in the Office Action that the attached cited references have been considered, but will not be listed on any resulting patent, unless the reference citations are listed in a separate listing, preferably a PTO/SB/08. Therefore, in order to have the cited references listed on any resulting patent, Applicants submit the attached PTO/SB/08A and B forms.

It is respectfully requested that the cited references be made of record and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

Jennifer L. Wahlsten
Reg. No. 46,226
